EUROPEAN ELECTIONS

1979 - 2014

From 2014 to today

Europe faces
increasing challenges

WHY DO PEOPLE NOT VOTE? ABSTAINERS

Reasons are mainly technical instead of ideological

- Reasons of a political nature in broad sense
- Personal and technical reasons
- Reasons directly related to the European Union
- Lack of information on the EE2014

The screenshot shows the European Parliament Download Centre website. At the top, there is a dark blue header with the European Parliament logo and the text "European Parliament Download Centre". To the right, there is a "Your download basket" section showing "0 files". Below the header is a navigation menu with links for "Home", "Annual Campaigns and Events", "Visual Identity", "Elections", and "Prepare your visit to the EP". A search bar is located on the right side of the navigation menu.

The main content area features a large banner for the "2019 European elections" held from "23-26 May". The banner includes a photograph of a road and the text "for europe" and "this time i'm voting".

Below the banner, there is a section titled "How does it work?" with three steps:

- 1 Find your files**: Select category and add your files to the basket or go directly to one of the highlighted subjects below.
- 2 Select download method**: Download the files immediately or download them later through an email link.
- 3 Download your files**: Download starts automatically or an e-mail with the link to download your files is sent.

There is also a "Stay informed!" section with a list of topics to subscribe to:

- Annual Campaigns and Events
- Visual Identity
- Elections
- Prepare your visit to the EP

An "E-mail" field and a "SUBSCRIBE" button are provided for users to receive updates.

Two featured sections are visible:

- Toolkit**: European Elections - 131 files. Includes a blue button with the text "thistimeimvoting.eu".
- Signatures**: European Elections - 96 files. Includes a blue button with the European Parliament logo and the text "EUROPEAN ELECTIONS 23-26 May 2019 #EUElections2019".

At the bottom, there are brief descriptions for each section:

- The toolkit provides templates and ready to print files of different products prepared by the European Parliament in the framework of the campaign for the European Elections 2019.
- The "patronage signature" has to be included by the beneficiaries of the European Parliament patronage in all their communication products.

On the right side, there is a section titled "The Download Centre at a glance" with a welcome message: "Welcome to the Download Centre of the European Parliament! This online platform features all communication materials produced for various institutional European Parliament campaigns and events, in all official languages, all in one place."
